MARTHA'S HOUSE NEWS

Well, it seems that spring has definitely arrived! We sure hope God isn't just teasing us! Whatever He brings is a blessings though and we look forward to His plans for 2017!

Thank you to all of you who joined us for our 4th anniversary celebration! It was a wonderful day of good food and fellowship and giving glory to the One who deserves it! For those of you who didn't make it, we missed you!

This has been a busy year already and we continue to see God at work everyday! Along with our anniversary celebration we had a graduation and wedding vows renewed. One of our ladies had hip surgery in January and after a few complications, is recovering nicely. We have added a new resident to our family and a new Board member as well. We are all pleased to have one of our devoted volunteers, Christa Bodensteiner, recently join our Board of Directors. Christa has been a big part of this ministry for a couple of years so the only thing that will change is she will have to sit through our wonderful meetings now!

We are excited about our Tour of Homes and hope you will join us to make this another successful fundraiser for Martha's House. We are thankful to have four beautiful homes in the Pawley Island-Litchfield area and the event will conclude with a tour of All Saints Church. There will be an afternoon tea in the church fellowship building from 2:00 to 4:00 PM, along with music from local artist. Tickets are \$30.00 and they are available at Martha's House Thrift Store or by going on our website, marthashouseinc.com, for phone numbers you may call for more information.

We will also have our 11th Annual Easter Bake Sale at Walmart in Georgetown on Saturday, April 15th. It's hard to believe we have had ten successful Martha's House bake sales! We want to thank everyone who makes this and every fundraiser we have successful! We would not be where we are today without your faithful support! As always, we are asking for cakes, pies, cookies, brownies or any other specialty you might want to bake for us. We need them by Friday, April 14th. Please have them wrapped securely and labeled with details. We can tell when a pound cake is a pound cake, but is it lemon, sour cream, etc.? Do your cookies have nuts or raisins in them? Labeling helps us out so much in selling the items we have. We will be at Walmart on North Fraser Street in Georgetown from 8:00 AM till 2:00 PM or until we sell out. We hope to see you there!

The reason we are constantly in the fundraiser mode is because we are always seeking to grow and accomplish all we believe God has called us to do. Our latest project, as most of you know, is Phase Two of Martha's House. We are so excited to be working on blueprints and talking to suppliers, builders and VOLUNTEERS! This is going to be a huge leap of faith for Martha's House, but we are believing God for His provision in every area of need! If you hear Him call your name, please respond! Mr. Bill "Bubba" Johnson has already worked endless hours on this project because he believes in what we do here. He has a heart as big as Texas and it is his desire to give back in some way for all God has given to him. We are so thankful for him and the many others God brings to this ministry!
