MARTHA'S HOUSE NEWS

Summer will officially be here soon, but the sights and sounds of summer are bursting forth already - along with the humidity! As I look out the office window I am always amazed at the beauty of all God has provided for Martha's House. If you have not been here, you need to come, especially in the spring and summer months when everything is so green.

The past few weeks have been a whirlwind for Martha's House! Palmetto Giving Day was incredible! We never dreamed our first year of participation in this county-wide event would be so successful for this ministry. Thank you all so very much because it is you who made the day such a blessing for Martha's House! We also want to thank Kristi Squires who spearheaded this project. She did an amazing job!

We had our eighteenth graduation on May 26th. Mandy was an absolute joy to have at Martha's House, but we are happy she is back home and being a mother to her beautiful little girls. We pray for God's continued blessings over her life and the lives of her children. Please join us in those prayers!

Another milestone for Martha's House was the moving of our thrift store from one end of town to the other. Customers, volunteers, and Board members celebrated the grand re-opening and dedication on June 9th. We are thrilled to be in our new location at 1129 North Fraser Street in the Winyah Village Shopping Center (next to Domino's Pizza.) We are now open Tuesday through Saturday 10:00AM - 5:00PM. Please come by to see us. We think you will be pleasantly surprised! The store is another one of God's many blessings for this ministry! We are so thankful for the eight years we had at our former location and for the generosity of Mr. Joe Young who made that possible! As always, we are in need of volunteers at the thrift store. Please consider joining our team of hard workers who help our manager, Margie, make our store all that it is. They do a wonderful job, but with added hours we really need your help. You can call Margie at 843-546-5624.

The sad part of our past few weeks was the death of one of our former residents, Geneva Terry. Geneva went to sleep on Thursday night, May 31st and woke up in the arms of Jesus! What a beautiful way to go! If you ever met Geneva you won't ever forget her. Her radiant smile and joy-filled eyes tugged at every person she met! She had her share of adversities in life, but she was a wonderful example of how someone can remain happy and positive - regardless of all challenges. She said many times that the year she spent with us at Martha's House was the best year of her life and we all feel very privileged to have shared that time with her. Please keep Geneva's family in your prayers.

We are so excited to be having the Blueberry Festival on Saturday, June 30th! As you know, last year there were no blueberries because of the weather, but we are grateful to say the bushes are producing beautiful berries again this year. You can start picking at 9:00 AM and we will begin serving delicious blueberry pancakes and sausage at 9:30. We hope you will come join us for this wonderful day of fun and fellowship. As always, we thank John and Alvilda Meyers for hosting this Martha's House fundraiser. It is always a blessing to our ministry and all who attend!
