MARTHA'S HOUSE NEWS

Spring is such a beautiful time of the year. What a blessing it is to see all God provides for our eyes to enjoy! The dogwoods and azaleas are exquisite right now and the birds are singing their most beautiful songs! Thank You, Lord, for eyes to see and ears to hear!

Many wonderful things are happening at Martha's House! Our long-awaited Phase Two is finally becoming a reality, but not in the way we had originally planned. God's plan is always better! Martha's House has had a house donated to us through a very generous friend! Preparations are being made now and it should be moved onto the property by the end of the month. God always provides in His way and in His timing! Even with the expenses of moving the house, the overall cost will be so much less than the original plan to build a house here. We thank God for this amazing blessing!

Martha's House has also been blessed recently with two new residents. Their names are Amanda and Cristin for those of you who pray for our ladies. We had another girl who joined us in February, but unfortunately, she only stayed a month. Her name is Jessica and we ask that you would pray for her as well. We ask that you keep all our residents and former residents in prayer. Prayer changes things and we have certainly witnessed that over and over again here at Martha's House. Thank you, dear prayer warriors!

Martha's House is excited to participate in Palmetto Giving Day again this year! This is a community-wide campaign that promotes non-profit organizations in Georgetown County. Your giving last year was phenomenal! We give God all the credit for any success we have in any area of our ministry so we certainly trust Him in His plans for PGD 2019! Please go to www.palmettogivingday.org/organizations/martha-s-house on May 7th if you would like to support us on this day or join us on Front Street in Georgetown from 3-7PM.

We are looking forward to our Annual Bake Sale at Walmart in Georgetown. This year's sale will be on the Saturday before Palm Sunday instead of our usual Saturday before Easter. Once again we are asking for donations of baked goods such as cookies, brownies, pies, and cakes. Our residents will be baking our famous Martha's House bread and this year they will also be making homemade candies under the instruction of one of our dear Celebrate Recovery friends. This is always a fun day of fellowship as we share Jesus with the many people we come in contact with throughout the day. Please consider baking your specialty for us and/or come by to purchase some of the great things that are always donated. If you bake for us please wrap items securely in clear wrap so they can be seen. Also please label each item and include the main ingredients. (So many people have food allergies, so we especially need to know if there are nuts, chocolate, peanut butter, and things of that sort in the ingredients.)

We are so pleased with the success of our thrift store in it's new location on North Fraser Street. Our manager, Margie Cribb, does an amazing job making our store look more like a boutique than a thrift store! We thank all of you who have helped make this move a success through your donations and purchases. We are always in need of more volunteers and hope you will consider becoming one of them! --God's blessings to you all!

Mrs. Delores "D" Graf
1930-2019

We are all very sad over the loss of "Miss" "D," Mr. Fred Graf's lovely bride. After 68 years of marriage he still referred to her as his bride! Mr. Fred is on the Board of Directors of Martha's House and counsels our residents on a weekly basis. For the past two years "Miss" "D" was his constant companion, coming out to visit with us while Mr. Fred worked with our ladies. We will all miss her so very much! What a precious, dear, sweet lady she was!
