How very grateful we are to be experiencing another spring. The azaleas and dogwoods have been especially gorgeous this season! We might say that every year, but this year truly has been exceptional. Some day we hope to have our 12 acres of property filled with azaleas and dogwoods, as well as camellias. They would be such a beautiful compliment to these majestic oak trees God planted here so many, many years ago.

The schedule at Martha's House is busy as usual! Taylor continues to work at Tony's Pizza in Georgetown. Crystal has started work part-time at Food Lion in Georgetown and also works at our thrift store two days a week. Valerie will begin employment at Vocational Rehabilitation in Conway April 10th and our other two ladies will hopefully begin working in May.

Martha's House

Saturday, April 22

Lunch begins at
12:30 PM

We are always happy to celebrate the holidays at Martha's House. It is a time when family members can join us for dinner if they are in the area. Unfortunately, most of our current residents have families who live out of town. Taylor is the only one whose family can join us this Easter, but we do have several former Martha's House family members who will be joining us. We also have board members who come as well as our director's daughter, son-in-law and granddaughters. Easter is such a special time to celebrate because where would we be without the empty tomb! The most important thing we do at Martha's House is teach Christ and Him crucified. And the reason He suffered, died and rose again was because of God's great love for us. He certainly showers all the beautiful women He sends to this ministry with His great love. For what other reason would He provide such a wonderful gift! His desire to have our love returned to Him is the greatest gift we can give and we teach the importance of that at every opportunity.

We are excited about
this year's upcoming
Palmetto
Giving Day!

Please join others in
helping support
Martha's House with
your online giving.

In the midst of all this, we are preparing for our 10th anniversary celebration on April 22. We are so excited about this celebration. Ten years and 56 beautiful women is truly something amazing for Martha's House! Please join us for an afternoon of fellowship and good food. We will begin serving lunch at 12:30 PM. Please help us by praying for perfect weather as we seek to give God all the glory for what He has done! Our physical house address is:

1888 Old Pee Dee Road, Hemingway, SC 29554.

(Please note that we are not in the city of Hemingway. We are actually 18 miles from Georgetown and 15 miles from Conway, then two miles off of Highway 701.)

When our anniversary is over we will focus on Palmetto Giving Day—May 2 and 3. This annual online Georgetown County fundraiser provides for a large part of our annual expenses. It is a 36-hour event beginning at 6:00 AM on Tuesday, May 2 and ending at 6:00 PM on Wednesday, May 3. We will accept checks for Palmetto Giving Day (PGD) through Friday, April 14. (Due to their criteria, there is a \$100 minimum for checks to be counted toward PGD matching funds.) Thank you to all those who have already given toward this event and to all those who plan to give in the future. Your generosity means more than you know. The continued work at Martha's House is provided for solely by those who have a heart for this ministry. May God bless you for your kindness!

Mrs. Paula Robbe Wilson
January 3, 1946—March 12, 2023

Martha's House has lost another dear friend of this ministry. Paula Wilson, wife of our former board member and faithful weekly Bible teacher, Lynn Wood Wilson, went home to be with our blessed Savior on March 12. She was at home with her husband and much loved dog, Maggie. Paula and Lynn Wood were married for 52 years. She has left behind a very sad husband, daughter, Jessica, son-in-law, Matt, and two lovely granddaughters, Mattie and Emme. Please keep this family in your prayers in the weeks ahead as they adjust to their new life without this precious lady.
